Advertising in the preliminary and on-site programs for this meeting is available. Please contact Rita Chua Magness, Director of Publications and Marketing, if you are interested; rcmagness@aafprs.org; (703) 299-9291, ext. 227.

Rules and Regulations

These Rules and Regulations are incorporated into the Exhibit Application and form a binding contract between the exhibitor and the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS Foundation). They have been formulated in the best interest of the exhibitor and full cooperation of these rules and regulations is required. Any details not specified are subject to decision by the Director of Continuing Medical Education.

Admission to Hall

Properly badged exhibitors will be admitted to the exhibit hall one hour before show opening each day, and may remain up to one half-hour after show closing each evening. No badges will be issued without identification of company affiliation.

Americans with Disabilities Act

Exhibitors will be responsible for compliance with the Americans with Disabilities Act within their booth and assigned exhibit space.

Booth Assignment

Exhibit booths are assigned on a first-come, first-served basis.

Booth Carpet

If carpeting is not already provided in the Exhibit Hall area, it is the responsibility of the exhibitor occupying that space to provide carpeting.

Booth Management

Dismantling of booths prior to the official closing of the Exhibit Hall is strictly prohibited.

Cancellation of Exhibit Space

Exhibitors are requested to telephone, fax, or e-mail the AAFPRS with cancellations. However, the cancellation is not effective until it has been received in writing at the AAFPRS Meetings Department. No refunds will be granted after Friday, December 28, 2012. If the Exhibitor cancels before Friday, December 28, 2012, 50% of the total cost of booth space will be retained by the AAFPRS. If the Exhibitor cancels after Friday, 28, 2012 the AAFPRS will retain 100% of the total contract obligation. Any space not claimed and occupied, or for which special arrangements have not been made by 5:00pm on Tuesday, September 4, 2012 will be forfeited. Full payment for all booth space assigned is due with the submission of your exhibitor application. No applications will be processed without full payment.

Changes

Any changes in exhibitor information will result in a \$50.00 fee per change, i.e., change in company description, and change in names of representatives or badge names. On-site badge names or additional names not given with the application to exhibit will result in a \$75.00 fee per name badge. Exhibiting companies will not be billed. Payment is expected at

time of registration. All changes or additions that are not received before Friday, April 16, 2010 will be made on-site at the time of registration.

Contracts for Space

Full payment must be submitted with the application. Applications without full payment will not be processed or accepted. The signed application and the full payment for rental charges constitute a contract for the rights to use the space allotted only. A completed application for space with full payment and all requested information must be received by mail. Fax applications will be accepted only with credit card information and valid signature. Telephone requests will not be honored.

Applications are considered complete when submitted with the following:

- Exhibit application
- Company description
- Names of representatives for badges
- Payment
- Completed and signed Standards of Disclosure for Commercial Support Form

Non-Contracted Exhibit Space

Any person, firm or organization not having contracted with the AAFPRS Foundation for the occupancy of space in the exhibit hall will not be permitted to display or demonstrate any products, processes, or services, solicit orders, or distribute advertising materials in the exhibit hall or in any hotel used by the AAFPRS Foundation to house registrants. Any noncompliance with this regulation will result in the prompt removal of the offending person and property from the area. Any person canvassing in any part of the Exhibit Hall will be required to leave the building. No exhibit will be permitted in a hotel room.

Corporate Representatives

Those companies unable to exhibit, but who would like to send a representative, can pre-register the individual by contacting the AAFPRS Foundation at (703) 299-9291, ext. 237 or e-mail: oedwards@aafprs.org. The fee for each individual is \$400.00. This fee entitles representatives to one day of activities in the exhibit hall and general session. Representative badges may be picked up at the Registration Desk. No distributors, manufacturers, or suppliers will be allowed admission to the exhibit hall unless registered by an active exhibitor. In this case, badge will note only the name of the exhibiting company.

Demonstrations/Presentations

Live demonstrations on any individual are strictly prohibited. Activities must be confined to the limits of the exhibit booth. No demonstrations are to be conducted at any other time or location. Space requested must be large enough to accommodate any activity conducted in conjunction with the actual product. Exhibitors are responsible for monitoring and controlling attendance to prevent aisle congestion. In situations where overflow continues to

be a problem, presentations will be required to be limited or eliminated. The exhibitor is required to maintain the cleanliness of the booth. Aisles must not be obstructed at any time. Exhibitors may not conduct activity of any kind that leads to congestion of aisle traffic. Exhibits that include the use of musical instruments, sound projection equipment, or any other type of sound or noise-making apparatus must receive advance approval from show management and must not disturb adjacent exhibitors and their patrons. Music may not be played in any form without the proper license of copyrighted music.

Exhibits

Exhibits will be inspected during set-up and the Service Provider, at the direction of the AAFPRS Foundation Exhibit manager, will provide draping to cover any unsightly areas and submit charges to the exhibitor. Exhibits must be arranged so as not to obstruct the view or otherwise interfere with the display of other exhibitors.

Exhibitors are not permitted to dismantle or alter any portion of space leased. This includes the dismantling or alteration of pipe and draping.

Identification badges may be picked up at the registration desk. Two company representatives are permitted in the exhibit hall during exhibit hours per every booth purchased. No other representatives are allowed in or around the exhibit area unless an additional badge is purchased. Additional badges are available for \$150.00. Badge exchange between exhibitor representatives is not permitted. The AAFPRS Foundation requires that all representatives be registered for the meeting. Exhibit badges permit attendance at any General Session.

Exhibitor Policy

The Foundation intends for its exhibits to further the Foundation's mission. Accordingly, the Foundation welcomes exhibitors who provide attendees the opportunity to advance their knowledge of science, to further their education, or to involve themselves in charitable activities. The Foundation accepts exhibitors that it determines in its sole discretion, advance those goals and do not impair the mission of the Foundation or the Academy.

The Foundation will, in its sole discretion, determine which exhibitors to accept. The Foundation is under no obligation to accept any exhibitor. Without limiting the generality of the Foundation's discretion to accept or refuse exhibitors, among those exhibitors that will not be accepted are the following:

1. Those who do not follow the Foundation's Rules and Regulations for Exhibitors, as amended from time to time.
2. Those who do not advance scientific, educational or charitable goals.
3. Those who could bring discredit to the Foundation or the Academy if the exhibitors were linked in professional or public perception with the Foundation or the Academy.
4. Those whose activities conflict with the Foundation's or the Academy's mission.

5. Those who do not maintain standards of decorum consistent with the Foundation and the Academy.

6. Those promoting medical or surgical products or services that have not been authorized by the Food & Drug Administration in ways not sanctioned by the Rules and Regulations for Exhibitors.

7. Those selling products or services that, if acquired or used by attendees, would violate the Academy's advertising guidelines.

Exhibitor Registration Schedule

Exhibitors will be able to register their company during exhibit hall hours from Tuesday, September 4, 2012 through Friday, September 7, 2012.

Failure to Occupy Space

Any exhibitor failing to occupy space is not relieved of the obligation to pay full rental price for booth space. The AAFPRS Foundation will have the right to use exhibit space as it sees fit, provided the space is not occupied one hour prior to the scheduled opening of the exhibit hall.

Food and Drug Administration (FDA)

All medical devices or pharmaceuticals exhibited must have fulfilled all applicable FDA regulations.

Non-FDA Approved Drugs and Devices

Exhibitors are reminded that the FDA generally prohibits the advertising or other promotion of investigational or unapproved drugs and devices. The FDA also forbids the promotion of approved drugs or devices for unapproved uses. Unapproved Class III devices may be displayed only if they are the subject of an effective investigational device exemption (IDE). Class I or II devices that have not been approved by the FDA may be displayed only if they are the subject of a pending 510(k) pre-market notification application. Any investigational product (including any product subject to a pending 510(k)) that is displayed or graphically depicted within the exhibit must:

- contain only objective statements about the product;
 - contain no claims of safety, effectiveness or reliability;
 - contain no comparative claims to other marketed products;
 - display the statement "Caution: Investigational Devices. Limited to Investigational Use" in prominent size and placement; and
 - not be sold or be the subject of order taking or lead retrieval until approved.
- Signage that is easily visible should be placed near

the devices themselves and on any graphic depicting the device stating: "This device is not cleared by the FDA for distribution in the United States," or "This device is limited by Federal Law for investigational use only."

Gifts and Promotional Items

Exhibitors are permitted to give gifts and promotional items, but the item **MUST** be approved by the AAFPRS. Individual gifts in the general range of \$100 are acceptable. No gifts more than \$100 are allowed. Exhibitors must follow the AMA Guidelines on "Gifts to Physicians from Industry". Any gift accepted by physicians individually should primarily entail a benefit to patients. Accordingly, textbooks, modest meals, and other gifts are appropriate if they serve a genuine educational function. Cash payments may not be offered. All shopping bags are permitted.

Insurance

Insurance on all exhibits is the responsibility of the exhibitor. The AAFPRS Foundation will not assume any responsibility for property loss or damage to personal property, as stated in the section on Limitation of Liability. Exhibitors are advised and encouraged to carry insurance to cover their property against damage and loss and public liability insurance for claims of injury to the person and property of others.

Installation Schedule

Exhibit companies may begin set up on Tuesday, September 4, 2012 8:00am - 5:00pm. Installation must be completed by 5:00pm, Tuesday, September 4, 2012.

Labor Information

Union Labor may be required for your exhibit installation and dismantle. Please carefully read the UNION RULES AND REGULATIONS form included in the full exhibitor kit to determine your needs. Exhibitors supervising labor will need to pick up and release their labor at the Service Desk. Refer to the order form under Display Labor for Straight Time and Overtime hours.

Limitation of Liability

It is mutually agreed by and between the AAFPRS Foundation and the exhibitor that the AAFPRS Foundation will have no liability whatsoever to any exhibitor, his employees, or his business invitees, or any liability for loss or damage to the property of the exhibitor, his employee or business travel invitees resulting from any cause. It is further understood and agreed that all claims against the AAFPRS Foundation for any such damage, loss, or injury are expressly waived by the exhibitor as the exhibitor's responsibility. Space is leased with the understanding that the AAFPRS Foundation and the contracted meeting service contractor will act for the exhibitor and his representatives only in the capacity of agent, and not as principal. The AAFPRS Foundation and the contracted Official Service Contractor assume no liability whatsoever for damage for any act of omission or

commission in connection with the said agency, and the exhibitor and his representative(s) hereby keep forever harmless the AAFPRS Foundation, its officers, directors, employees, and agents from any and all liability for loss ensuing from any cause. It is further understood and agreed that the AAFPRS Foundation will in no event be liable to an exhibitor for any lost profits, sales or business opportunities, or any other type of direct or consequential damages alleged to be due to a breach of this contract. It is understood and agreed that the sole liability of the AAFPRS Foundation to the exhibitor for any breach of its contract will be for the refund of all amounts paid by the exhibitor pursuant to the contract, as an exclusive remedy. The exhibitor agrees to abide by all applicable laws, ordinances, and rules and regulations, including but not limited to those of the city and state where the exhibits are being held, as may be amended from time to time.

No Smoking

AAFPRS Foundation's policy restricts the use of tobacco products in all areas of the exhibit hall (including set-up and dismantle of exhibits). Thank you for not smoking.

Operation and Conduct in Exhibits

Exhibitor personnel may not enter the exhibit space of another exhibitor without permission from the latter. At no time may anyone enter an exhibit space that is not staffed. Exhibitors may not leave merchandise or printed matter in the registration areas, lounges, meeting rooms, or other facilities of meeting/exhibit site. The management reserves the right to restrict exhibits which, because of sound, method of operation, materials, content, or any reason, become objectionable. This includes the right to prohibit or evict any exhibit that, in the opinion of the management, may detract from the general character of the exhibits as a whole. This reservation includes persons, things, conduct, printed matter, food and beverages, or anything of a character which the management determines objectionable to the exhibit. In the event of such restriction or eviction, the AAFPRS Foundation is not liable for any refunds of rental fees or other exhibit expenses. As a condition for exhibiting, each exhibitor agrees to observe all policies stated in this document. Violations will result in the ineligibility to exhibit at future AAFPRS Foundation meetings.

The AAFPRS Foundation reserves the right to control all exhibitor activities that take place outside an exhibitor's allotted exhibit space during the meeting dates. Exhibitors may not schedule hospitality suites, educational, entertainment or social functions to conflict with AAFPRS Foundation programs or other activity times. All functions must be approved by AAFPRS Foundation in writing. For further information regarding any exhibitor's allotted exhibit space, contact the Manager of Meetings & Exhibits at (703) 299-9291, ext. 237.

Photographs

An exhibitor may not photograph or videotape the exhibits. Photographs or videotaping is not permitted in the general session or meeting rooms without explicit approval of the AAFPRS.

Sales and Order Taking

Exhibitors are free to solicit sales and take orders, but must at all times maintain professional behavior. The AAFPRS Foundation reserves the right to limit or restrict sales activities if such activities are causing a disturbance on the show floor. Rule: All exhibitors who sell merchandise from the show floor, or who take orders on either a wholesale or retail basis, must meet, city, Department of Revenue requirement for the city/state in which the show takes place.

Security

Exhibitors are cautioned to have a representative in attendance during set-up hours. The possibility of theft or "mysterious disappearance" of equipment will be greatly reduced if exhibitors take this precaution. All exhibitors are well advised to follow this same procedure when dismantling exhibits. Be sure a representative is present until boxing and crating of exhibit materials has been completed. The AAFPRS will provide a professional security guard service beginning the first day of move-in and continuing until the exhibit hall is vacated. However, the AAFPRS and the Sheraton Chicago Hotel and Towers are not responsible for any loss or damage to exhibitor property.

Sharing Exhibit Space

Subletting of exhibit space is strictly prohibited.

AAFPRS Buyers Guide

The AAFPRS recently partnered with MultiView, Inc., an Irving, TX, publisher of electronic buyers guides and search engines, to launch the AAFPRS Buyers Guide. This new product finder, available via a link on the AAFPRS Web site, www.aafprs.org, is quickly becoming a valuable resource for AAFPRS members who are looking for industry-specific products and services they need. All industry vendors have the ability to participate in the AAFPRS Buyers Guide and purchase a listing that will be online year-round. Your listing will feature your company's logo, contact information, company description and direct link to your company Web site and specified e-mail address. Your listing is grouped into categories of your choice to enable efficient browsing and searching by physicians worldwide.

With Google results, you're one in a million. But searching through the AAFPRS Buyers Guide presents relevant search results for pre-qualified, committed buyers. It has been created specifically for the purchasers of your product or service. So if you're not represented, you're missing out on a revenue-generating opportunity.

This a valuable tool for your business. If you are interested, please contact MultiView directly at (972)402-7070 or by e-mail at: aao@multiview.com.

Maximize your exposure at this meeting through advertising and sponsorships.
