11th International Symposium of Facial Plastic Surgery

Join us for this memorable educational event as we celebrate the Academy’s 50th Anniversary

Symposium Chair: Jonathan M. Sykes, MD
Program Chair: Anthony P. Sclafani, MD

May 27-31, 2014
New York City, NY
Greetings to all and thank you for your interest in our program. Every four years, the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) and the International Federation of Facial Plastic Surgery Societies (IFFPSS) host an international symposium that brings together facial plastic surgeons from all over the world and in the specialties of facial plastic surgery, oculoplastic surgery, dermatologic surgery, plastic and cosmetic surgery. The symposium features the latest trends and technologies in facial plastic surgery by offering lectures, panels, workshops and instruction courses led by experts in the field and an exhibition of over 100 companies displaying and introducing their latest products and services.

What makes this meeting special is the commemoration and celebration of the Academy's 50th Anniversary. Building on the traditions of the AAFPRS, this meeting explores the latest in techniques and technologies in facial plastic and reconstructive surgery. Internationally renowned facial plastic surgeons will be joined by colleagues in plastic surgery, dermatology and oculoplastic surgery in discussing the nuances of facial plastic surgery. Cadaver labs focusing on rhinoplasty, facelift, endoscopic brow and midface lift, and blepharoplasty and ptosis repair provide hands-on experience to practice the nuances of specific procedures, while separate workshops on energy-based skin rejuvenation and hair restoration provide in-depth coverage of these topics. A two-day practice management course will cover marketing, social media and the Internet and staffing issues in your practice.

This symposium will be held in New York City and in the heart of Times Square which promises to be a venue that will bring fun and excitement to every member of your family. The cultural, recreational and educational opportunities of New York are all within a short distance from the meeting. Join us in New York, the City That Never Sleeps, for cutting-edge daytime education and fantastic New York experiences afterwards.
New York is the most populous city in the United States and the center of the New York Metropolitan Area, one of the most populous urban agglomerations in the world. The city is referred to as New York City or the City of New York to distinguish it from the State of New York, of which it is a part. A global power city, New York exerts a significant impact upon commerce, finance, media, art, fashion, research, technology, education, and entertainment. The home of the United Nations Headquarters, New York is an important center for international diplomacy and has been described as the cultural capital of the world. New York City, arguably the world’s most vibrant and sprawling metropolis, occupies five boroughs, each with its own distinct identity.

The meeting is offered for continuing medical education of medical students, residents, fellows, and practicing physicians (MDs and DOs) in the field of facial plastic and reconstructive surgery. The program is for physicians with all levels of experience and covers aesthetic, reconstructive, and congenital issues relevant to this specialty.

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) will celebrate its 50th Anniversary at this meeting. Big surprises are in store for all meeting attendees, members and non-members alike. Come celebrate with us...enjoy a festive event, have a peek at the brand new Archival Center, participate in trivia games, walk away with give-aways...a walk down memory lane has never been this much fun. See what the future has in store for all participants.

### Registration

The registration form and payment must be received in the AAFPRS Foundation office by Friday, April 18, 2014 in order to qualify for the pre-registration fee. After Friday, April 18, 2014, you will be charged the on-site fee. Registration fees for physicians, OFPSA members, allied health professionals, and spouses and guests include a badge, on-site program; attendance to all the sessions (unless there is an additional fee involved); entrance to the Exhibit Hall; lunches, morning and afternoon breaks; and the Welcome Reception. Spouses/guests who do not register for the meeting but wish to attend the Welcome Reception, may purchase a ticket for $100. The spouse/guest fee carries no acknowledgement of course attendance.

### Cancellation Policy

Full refunds less a $75 cancellation fee will be honored before Friday, April 18, 2014. After this date, no refunds will be granted. No shows are considered to be on-site cancellation and therefore will not be eligible for any refunds. A cancellation requires written notification.

### Registration Categories

Please register (using the form located on the back) under any one of these categories:

- **Physicians** (MDs and DOs) who wish to receive CME credits must register as physicians in the appropriate registration category and designate their medical degree.
- **AAFPFS members**: Members who meet all membership requirements and have paid their 2014 dues: Physicians who are members of the societies that comprise the International Federation of Facial Plastic Surgery Societies (IFFPSS) fall under this category. (See registration form for list of societies.)
- **Non-members**: Physicians who are not currently members of the AAFPRS or any society affiliated with the IFFPSS. (See registration form for list of societies.)
- **Residents**: Member and non-member residents in an ACGME-accredited residency program. Verification of residency from program director must be submitted at time of registration.

ABOUT THE AAFPRS AND ITS FOUNDATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) was founded in 1964 and represents more than 2,500 facial plastic and reconstructive surgeons throughout the world. The AAFPRS is a National Medical Specialty Society of the American Medical Association (AMA). The AAFPRS holds an official seat in the AMA House of Delegates and on the American College of Surgeons board of governors.

The AAFPRS Foundation was created to address the medical and scientific issues and challenges which confront facial plastic surgeons.

The AAFPRS Foundation established a proactive research program and educational resources for leaders in facial plastic surgery. Through courses, workshops, and other scientific presentations, as well as a highly respected fellowship training program, the AAFPRS Foundation has consistently provided quality educational programs for the dissemination of knowledge and information among facial plastic surgeons.

In the early 1990s, FACE TO FACE humanitarian programs were established so that AAFPRS members could use their skills and share their talent in helping the less fortunate individuals here and abroad.

FACE TO FACE International brings AAFPRS members to third world countries where they treat children with facial birth defects and anomalies.

FACE TO FACE International Domestic Violence Project allows AAFPRS members to perform surgeries on survivors of domestic abuse here in the United States, who have received injure to their faces.

The newest member to FACE TO FACE is FACES OF HONOR. This program offers free surgical care for soldiers who have been injured in the line of duty in Iraq and/or Afghanistan.

ABOUT THE IFFPSS

The International Federation of Facial Plastic Surgery Societies (IFFPSS) is a group of societies of facial plastic surgeons from various countries around the world. This Federation was formed in 1997 after extensive discussions initiated by the AAFPRS. The member societies of the IFFPSS are:

- American Academy of Facial Plastic and Reconstructive Surgery
- ASEAN Academy of Facial Plastic and Reconstructive Surgery
- Australasian Academy of Facial Plastic and Reconstructive Surgery
- Brazilian Society of Rhinology Facial Plastic Surgery
- Canadian Academy of Facial Plastic and Reconstructive Surgery
- Colombian Society of Facial Plastic Surgery and Rhinology
- Ecuadorian Society Rhinology and Facial Plastic Surgery
- European Academy of Facial Plastic Surgery
- Mexican Society of Rhinology and Facial Surgery
- Pan Asia Academy of Facial Plastic and Reconstructive Surgery
- Taiwanese Academy of Facial Plastic and Reconstructive Surgery
- Venezuelan Society of Rhinology and Facial Plastic Surgery

I am not an AAFPRS member and want to receive a membership application.
