UNIVERSITY AFFILIATION:
New York University School of Medicine, Department of Otolaryngology

LICENSING REQUIREMENT:
New York State Medical License

APPOINTMENT LEVEL:
Clinical Fellow of Facial Plastic Surgery, Dept. of Otolaryngology, NYU School of Medicine

OPERATING PRIVILEGES:
Privileges commensurate with level as a departmental fellow at NYU Medical Center, Bellevue Hospital, Manhattan VA, Manhattan Eye, Ear and Throat Hospital, Well-Cornell Medical Center. No full staff privileges are required.

OPERATIVE EXPERIENCE:
The full range of facial plastic surgery is thoroughly covered between the two campuses of the fellowship:
  * At NYU Campus: Open Septorhinoplasty; Full range of facial trauma, Moh’s reconstruction and facial reanimation; In-office chemical peels, fillers, Botox.
  * At MEETH/Cornell Campus: Full and extensive experience in all types of cosmetic surgery including composite facelifts, liposuction, forehead lifts, blepharoplasties; Closed septorhinoplasty; Laser skin resurfacing; In-office chemical peels, fillers, Botox.

RESEARCH:
Dedicated time is allotted each week to plan and complete at least one major clinical research project suitable for presentation at a national meeting and subsequent publication.

TEACHING RESPONSIBILITIES:
The fellow will be the teaching surgeon, with preceptor supervision, in all resident cases at Bellevue and the Manhattan VA.

**CASE LOAD:**
The fellow will have the opportunity to perform as primary surgeon over 200 cases. He will assist on an additional 300 cases, including approximately 100 rhinoplasties, 75 facelifts, 50 blepharoplasties, 20 forehead lifts, and 25 cheek and chin implants.

**CALL RESPONSIBILITIES:**
The fellow will take first call for Dr. Constantinides’, Dr. Miller’s, and Dr. Pastorek’s private patients. There will be no in-house or general otolaryngology call.

**BENEFITS:**
- *Health: Full medical benefits as per all NYU residents and fellows.
- *Stipend: According to New York City regulations, the fellow is reimbursed according to his PGY status. In the 2004 academic year, this was about $57,000 for a PGY 6 fellow.
- *Malpractice: NYU covers the fellow at all the hospitals he goes to for his fellowship.
- *Tail Coverage:
- *Other:

**ADDITIONAL INFORMATION:**
The fellow’s week is divided into thirds, with one-third at Bellevue and the Manhattan VA Hospitals, one-third at NYU Medical Center with Drs. Constantinides and Miller, and one-third with Dr. Pastorek in his office and at MEETH and Cornell. The fellow will be the teaching surgeon, commensurate with his knowledge and abilities, at Bellevue and the Manhattan VA. At NYU, the fellow will attend one day of private office hours with Dr. Constantinides and first assist Drs. Constantinides and Miller in their private cases. With Dr. Pastorek, the fellow will spend one half-day in his private office and two half-days in the operating room at MEETH and Cornell.

Contact information for Drs. Miller and Pastorek is as follows:

- Philip J. Miller, M.D.   Norman Pastorek, MD
  60 East 56th Street     12 East 88th Street
